## general call for papers

*aboriginal policy studies* is a new online, peer-reviewed and multidisciplinary journal that, on a bi-annual basis, publishes original, scholarly, and policy-relevant research on issues relevant to Métis, non-status Indians and urban Aboriginal peoples in Canada. We encourage the submission of articles by and for a wide audience of scholars, researchers, community activists, and policy-makers. Though focused on the Canadian milieu, we welcome comparative work from an international Indigenous context pertinent to Canadian readers. A similarly broad scope of methodological approaches is encouraged.

**flexible deadline for submissions is May 31st, 2010**

For more information about our journal and the submission process,  
please visit our website at:

Inquiries and submissions should be sent to the Editorial Assistant, Meika Taylor, by email at [apsjournal@ualberta.ca](mailto:apsjournal@ualberta.ca) or by phone at (780) 492-2900.
